## Outstanding Athletes

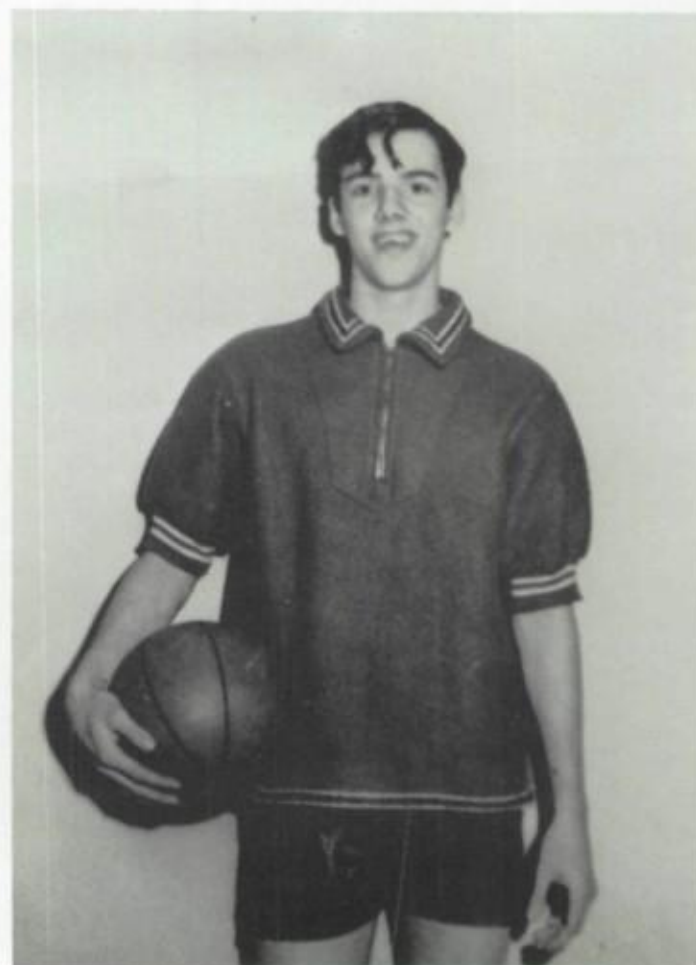

DAVID SODEN

In his high school career David won ten games. During his Junior year his sizzling fast ball was noticed by several big league teams. During his Senior year David pitched two perfect games in a row and was named "Athlete of the Week" in Northeastern Pennsylvania. Dave has been tried out by the Pittsburgh Pirates and has hopes of playing major league ball some day.

MICHAEL CERNUSCA

Mike started playing basketball in tenth grade. He started for the Junior Varsity in his Junior year and played half the season with them. Cerny was then brought up to Varsity and starred the rest of the season. In his Senior year he led the team in scoring, rebounding and foul shooting. He finished fourth in the league in scoring and was named to the second league all-star team.
